His Hands & Feet

Dear Church Family & Friends,

First, let me say thank you to everyone who supported our Spring Revival. Your prayers, involvement and willingness to invite others were a blessing. Please pray that God will keep our church ignited with a passion to grow in our walk and to share the way of salvation with the lost. Also be in prayer for our Youth as they prepare for summer missions camp. They could not attend without your love and support. Brother Lee still needs chaperones to volunteer for this exciting week of camp. Finally don't forget to remember our children, their families and volunteers who are beginning preparations for Vacation Bible School. VBS is still one of the greatest opportunities to make an eternal impact on the lives of children. We need everyone to give their time and talents to make it a success! Please see Sis. Margaret Dellinger to volunteer.

Secondly, I'm excited on a personal note to welcome the approaching warmth of summer and the growing season. Gardens are plowed and crops are being planted. I'm certainly reminded of the souls God desires to harvest into his kingdom. We have enjoyed the April showers physically and spiritually. But are we sowing, watering and reaping? Are we anticipating a harvest? Jesus pointed to a harvest ripe for the picking. He shared with his disciples in John 4:35, **"Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest."** Are we ready for God to do His work in and through us to reach a lost world with the Gospel? God needs willing hands and feet to share the Good News of Jesus Christ. Jesus shares in Matthew 9:37-38, **"Then saith he unto his disciples, The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest."** May God find us ready and willing workers!

Finally, I want to continue to encourage you to grow in faith, spring up with joy, share His love and spread the hope Christ has planted in your souls. Our world sure could use a little Sunshine today!

In Christ love,
Bro. Michael Skinner, Pastor

MID WEEK PROGRAMS—WEDNESDAYS 6:30-7:30 PM

TeamKID is a fun, high-energy ministry that encourages kids to know Jesus Christ and grow in a relationship with Him.

When someone is born into Christ, we usually just congratulate them and send them into the world. As a result, churches are full of baby Christians who never fully developed spiritually, even if they were born decades earlier. Disciples Path is a program we use to disciple the Youth of the church and teach them to disciple others as well.

“Don’t Worry Over Thunder, You’re Not Going Under”
God Says You’re Gonna Make It, Mike Speck Choral Music

Have you ever seen a worm try to wriggle back into the dirt? That is what worry is like. It is constantly trying to wriggle its way back into your mind. In this life, there will always be something that you could worry about. Something that just isn't quite right. That is part of living in an imperfect world. But worry can't do anything except tie you up into knots. So how do you get rid of those worry worms? Keep your thoughts on God. Think about how much God loves you, how

Make a splash at Shipwrecked

VBS this summer!

Venture to an uncharted island where kids discover the truth that Jesus carries them through life's storms.

Hello everyone, it is May already. Had a quick and busy month this past month. Want to say Thank You for all the donations made to the Youth for our upcoming trip to Charleston for Mfuge. Looking forward to MFuge by saying that there will be having a parent meeting on **May 20th** for the trip. The trip is from June 11th through June 15th. I know God has some exciting things to reveal to us through this trip. It is also exciting to know the anniversary of our church is coming up this month as well. I cannot do this letter without mentioning Mother's Day. No matter the circumstances, love your mothers this month and show them how much they mean to you. You know God made a special bond between mothers and their children, in that same sense he has that loving side for us. Last month we celebrated the resurrection of His son Jesus. He had to give his only begotten son for us. So we should come together and give all glory to the father. May 3rd is the National Day of Prayer. I want to challenge you to pray by thanking Him for what he has done for you. Then add on prayer for your church family and your family. Go ahead and say a special prayer for your mom this month. Pray for us to continue shining His light throughout Pisgah Forest, Penrose, Brevard, Transylvania County, through the ends of the earth.

Amen,
Youth Pastor Lee Patrick
